outstanding share of these States of the undisputed share cost of Sardar Sarover Project as on 31st August, 2002 is as under:

Madhya Pradesh	—	Rs. 502.51 crore
Rajasthan	—	Rs. 319.60 crore
Maharashtra	—	Rs. 129.80 crore
TOTAL :		Rs. 951.91 crore

The main reason for non-payment of the undisputed share cost of the project expenditure by the party States has been financial constraint. The Union Government has been making considerable effort through the various forums such as Review Committee of Narmada Control Authority (RCNCA), meeting of Cabinet Secretary with Chief Secretaries of the States, Narmada Control Authority (NCA) and Sardar Sarovar Construction Advisory Committee (SSCAC) to persuade the party States to fulfil their financial obligation by making payment of share cost to the State of Gujarat. This issue was also discussed in last RCNCA meeting held on 18.8.2001 under the Chairmanship of Union Minister of Water Resources and SSCAC meeting held on 27.06.2002 and NCA meeting held on 22.11.2002.

As a result of these efforts a sum of more than Rs. 400 crore has been released by the States to the Government of Gujarat during the last four years.
